Auris Plaza Hotel in Dubai has selected Media Communications' (MCOM) HOTstream product suite

Athens, February 1, 2011

Auris Hotels chain has selected HOTstream product suite for the newly built Auris Plaza Hotel, at Al Barsha, Dubai. Auris Plaza is the first five star hotel of the chain and has 283 rooms and 55 suites.

In details, Auris Plaza will receive:

- **HOTstream Interactive TV** to provide a wide range of hotel services including view bill, room service orders, Internet on TV, automated menu language change based on guest's nationality and many more.

- **HOTstream IPTV** for the distribution of television channels (both satellite and terrestrial) in High Definition quality through the UTP network of the hotel.
- **HOTstream Signage** to promote hotel services and inform the guests for events and meetings through the various digital signage monitors located in the public areas like the lobby and the restaurants.
- **HOTstream Internet** for the guests to access Internet through the wireless (WiFi) as well as

the wired network of the hotel using a single ticket for any internet-enabled device they wish (laptop, smart phones, iPhone e.t.c). In addition, guests can issue multiple tickets from the comfort of their room.
